

# SPOOKY SEASON

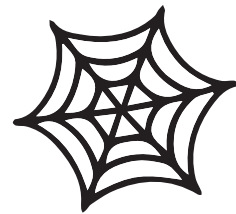

## HALLOWEEN COLORING BOOK

Aluy  
HAVEN

# Hello, creative artist!

By opening this book, you've just unlocked something special — not only hours of coloring fun, but also the chance to grow your creativity, focus, and confidence. Coloring helps you relax, stay calm, and feel proud when you finish each page. It's your time to enjoy, explore colors, and let your imagination lead the way. Inside, you'll meet smiling pumpkins, friendly ghosts, and playful little monsters waiting for your colors to bring them to life. Every drawing is bold and easy to color, so each page can become your own masterpiece.

Take your favorite crayons or markers, get comfortable, and enjoy the fun. And always remember — you are the star artist here! With love and joy — forward to your coloring adventure!

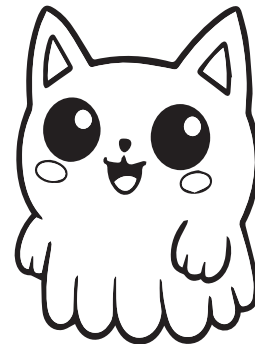

A LITTLE REMINDER

Place a blank sheet behind your page to stop colors from bleeding through.
