

Angie loves to Dance

Written by Karen Brough
Illustrated by Hiruni Kariyawasam

This story is inspired by my dear friend Angie and the memories we shared.

I'm so grateful for her joyous and adventurous life – and legacy!

Her life still inspires me to try new things, step into every day with a grateful heart and embrace as much laughter as possible. I pray it does you too.

Angie loves to dance....

Angie loves to dance anywhere she can.
Her tippy, tappy shoes are all the rage.
They help her clickity clack with glee,
as she *flies* across the stage.

Angie hikes in mighty, spiky boots,
that clomp in winds and hail,
trekking mountains and valleys with each step,
on any rugged trail.

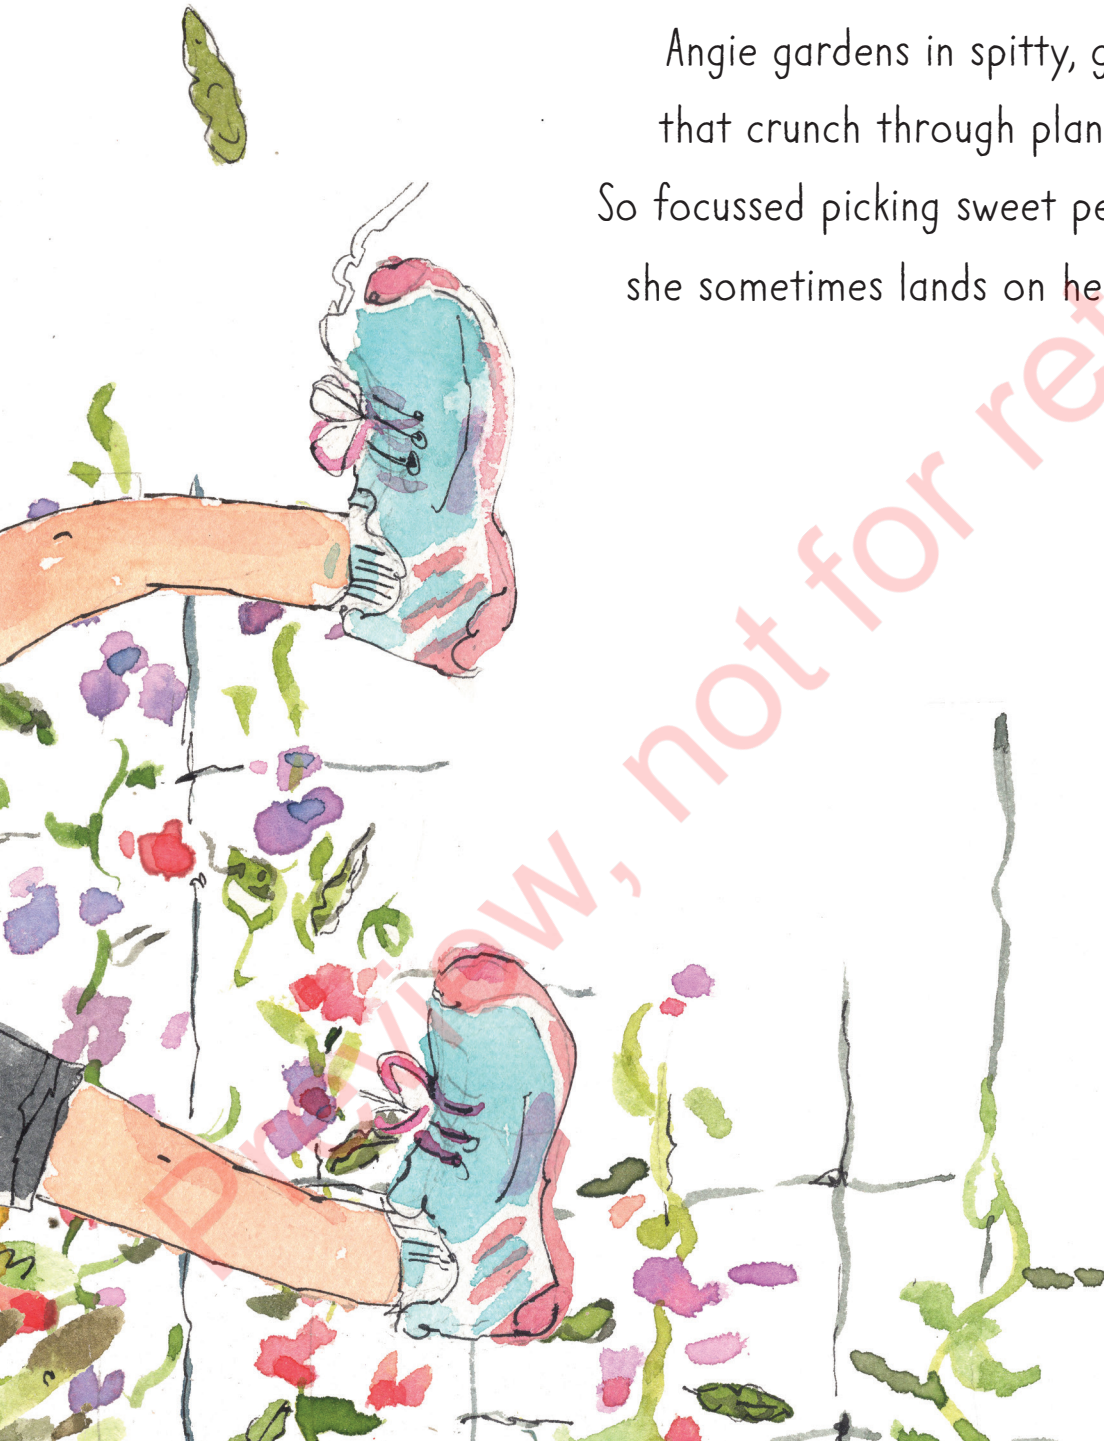

Angie glides in her pish posh shoes,
perfect for noble events,
she lifts her chin, glides across the floor,

"Let the royal fun commence!"

Angie gardens in spitty, gritty shoes,
that crunch through plants and bush.
So focussed picking sweet peas and blooms,
she sometimes lands on her *toosh!*

Angie swims with wiggly, wobbly toes,
in waters cool and oh-so blue.
Family and friends splash all around,
her *joyful heart* shines through.

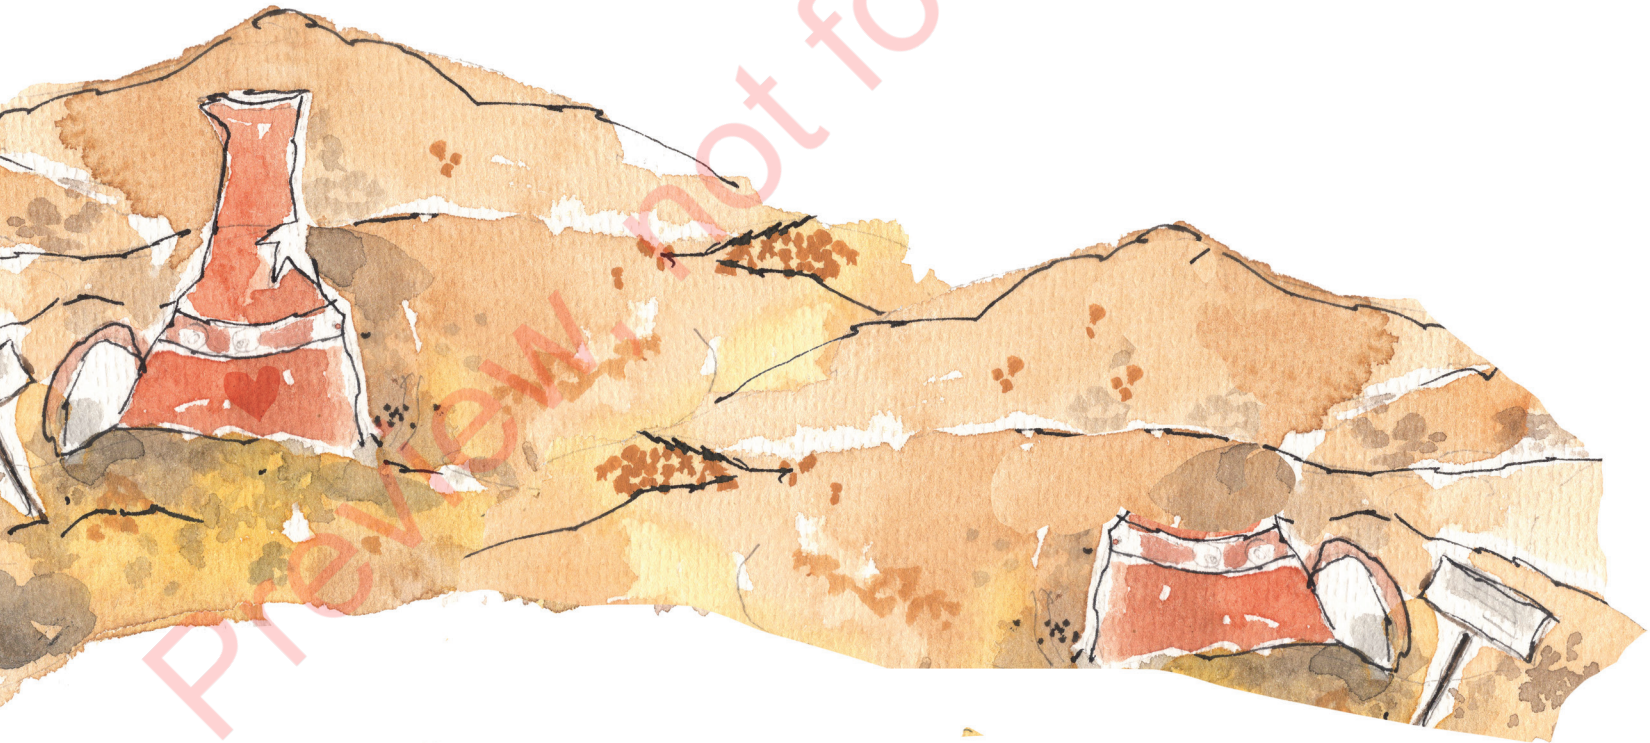

Angie digs in boots that crinch and crunch.

Scouring the site both far and wide.

Angie loves artifact hunting,
hoping history's treasures *to find.*

A watercolor illustration featuring various shades of green and blue. There are several large, irregular brushstrokes in shades of green and blue, some overlapping. Scattered throughout the scene are numerous small, teardrop-shaped raindrops in various sizes and orientations. The background is a light, textured white.

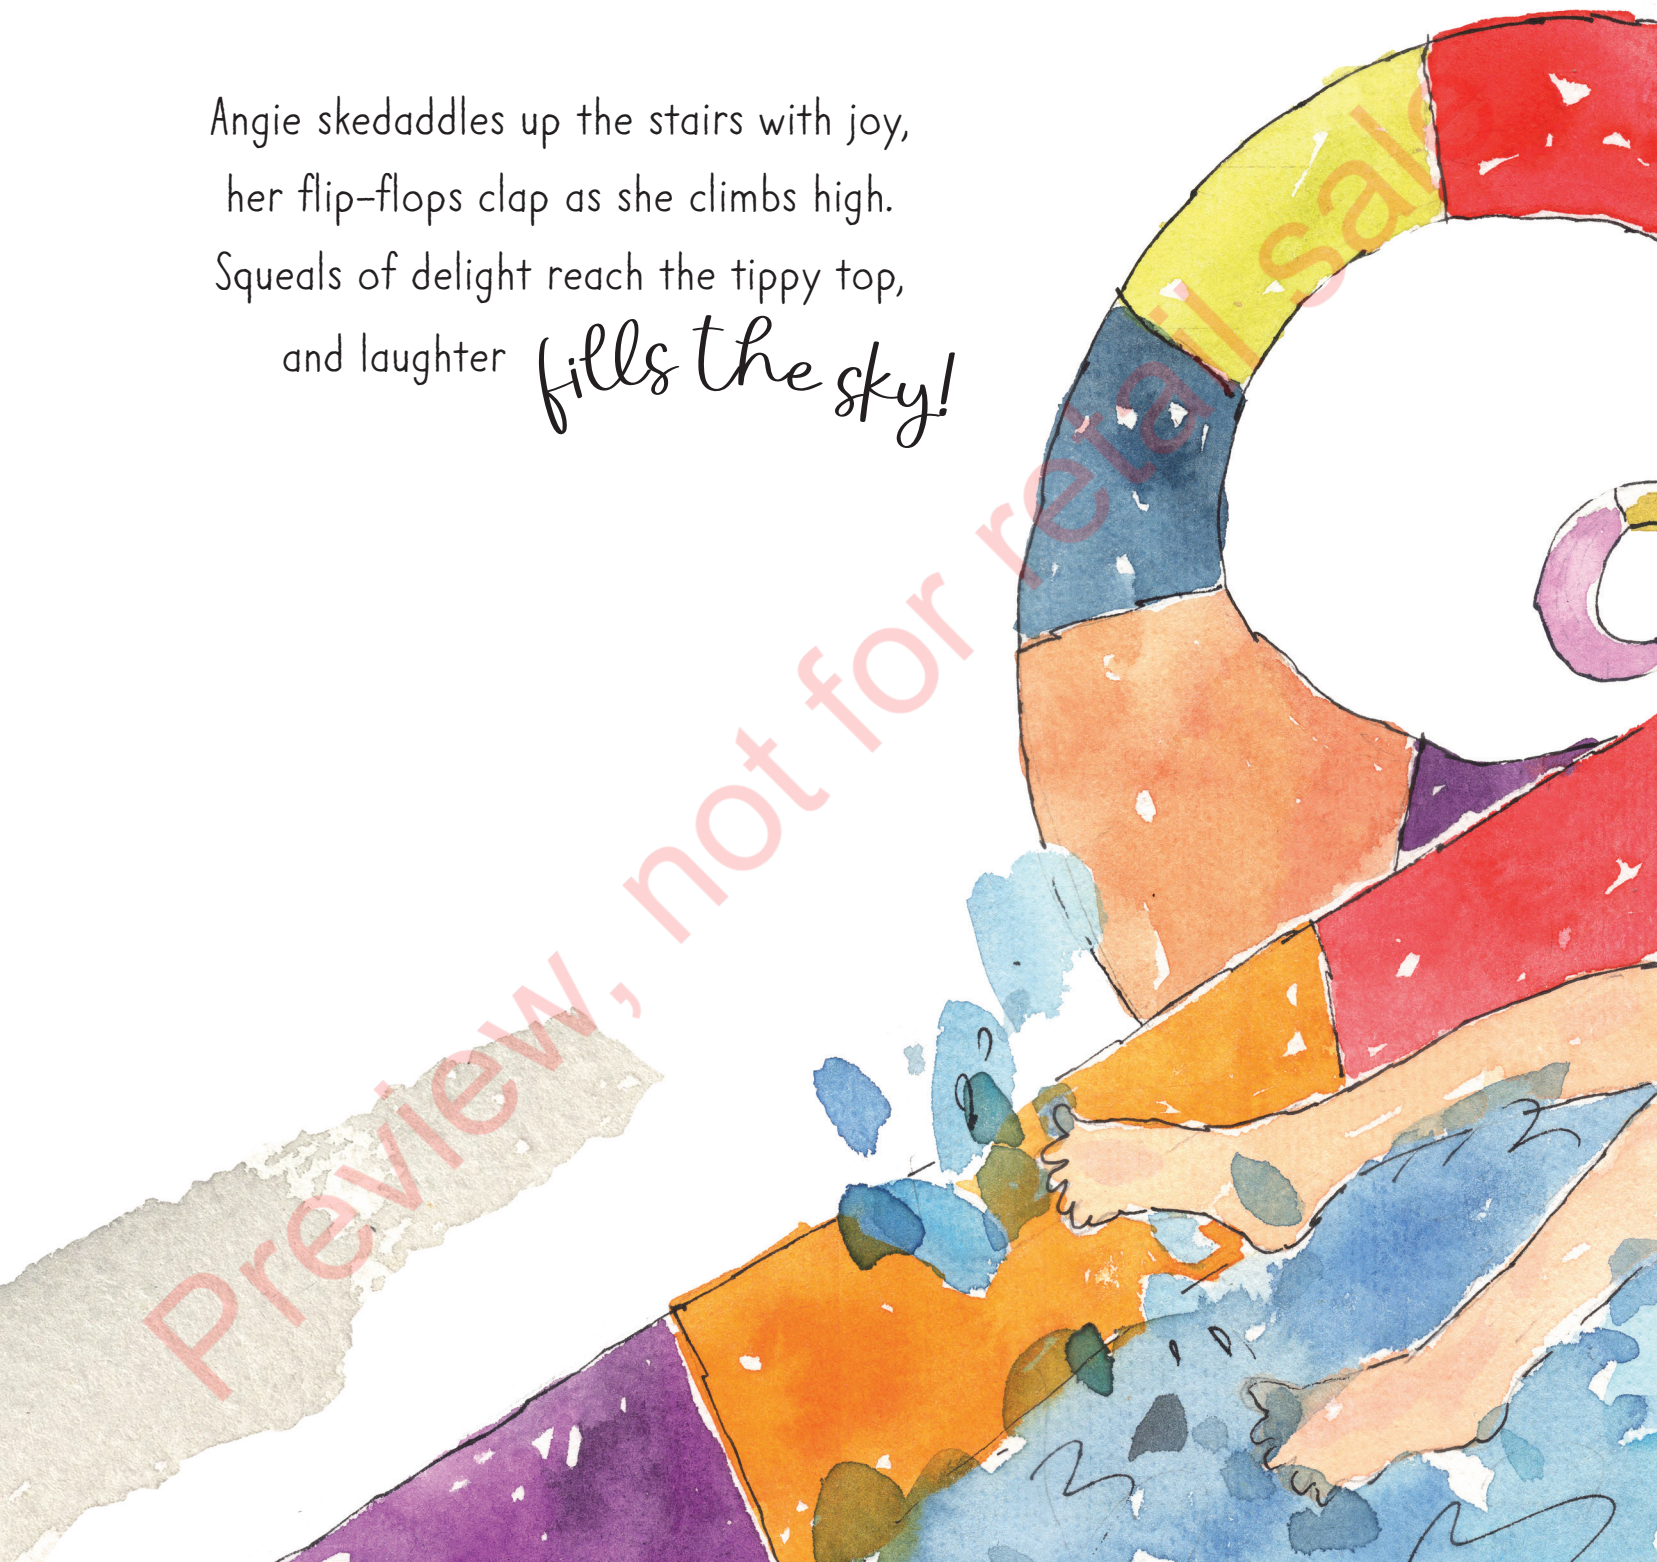

Angie puddle jumps with a splish and splash,
her gumboots get wetter and wetter.
Raindrops don't bother Angie much...

The sploshier the better!

Angie skedaddles up the stairs with joy,
her flip-flops clap as she climbs high.
Squeals of delight reach the tippy top,
and laughter *fills the sky!*

Angie walks in floral boots,
that let her gallop, galumph through any scene.

In city streets or country towns,
each day is a *joy supreme!*

But best of all...

Angie glams up in glitzy, blitzy heels.
The stars come out, and the music starts,
The dance floor lights up as she twirls,

spinning joy into everyone's heart.

Angie's Secret

I wonder what you do in your shoes?

Do you clomp or stomp? Splish or splash?

Do you amble, gallop, tap, or mish-mash?

Do you prance, wander, or go up and down?

Do you float about like a princess in a crown?

Angie carries her joy, wherever she goes,
You see, the secret of Angie, is something few know.

Not the shoes on her feet, or the clothes that she wears,
But the abundant joy she shares everywhere.

Angie loves to dance; yes she does, that's for sure,
Each day is a gift, a day like never before.

Each day, as you choose the shoes you will wear,
remember, like Angie, you are precious and rare!
