

A vibrant, magical forest scene. In the center, a small house with a large, brown, spotted mushroom cap and a stone archway entrance sits on a grassy patch. The house is surrounded by lush greenery and various flowers, including large yellow daisies and purple blossoms. A stone path winds through the forest towards the right. The background is filled with tall, thin trees and a soft, golden glow, suggesting a sunset or sunrise. Several colorful butterflies are fluttering around, and small, glowing lights are scattered throughout the scene, creating a dreamlike atmosphere.
