The United States  
Military is now so busy  
trying to kill the shark  
that ate the darn nerd,  
we should be pretty  
good for now. Once  
they kill the shark,  
they will be back  
on our trail. But  
for now we are  
fine. Have a  
100k.

# About the Author/Illustrator

Michael Simmons  
loves to draw and  
make up stories!  
He is excited to  
publish his humorous  
"The Cool Kids". This  
book is in your hands

is his first published story!  
At only 9 years old, he is  
preparing a hot new edition  
in the Cool Kids series. The  
sequel's title is called: The Cool Kids:  
Evil Teacher. He hopes he can  
get the sequel out there soon!
